Hi

The Online Aptitude Assessment has been completed successfully. Feel free to login and check to confirm this. Although we would advise waiting a minimum of 2 hours. Find attached screenshots showing the assessment that was remaining to complete and once it has been completed successfully.

To access the files, we have encrypted it for your safety. Please find these attached as screenshots to this email - we have renamed them for your convenience. If you have any difficulty accessing the files, please notify us and we will assist.
