

## Solve. The McKinsey Game.

### Before beginning the assessment

Shut down other programs and websites.  
Disconnect from any VPN or proxies.  
Use a stable internet connection.

You will be registering for a starting window.  
Select a starting window before the available ones fill up.  
You can begin the assessment any time in that window.

Your performance in the assessment will be considered along with the rest of your application and any other assessments you take at this stage.

OK

## Solve. The McKinsey Game.

Tech Tips

- ✔ Supported Browser
- ✔ Supported Hardware
- ✘ Graphics Performance (15 successful draws per second)
- ✔ Ping Check (30ms)
- ✔ Download Check (14.46 megabits per second)

### Graphics Performance

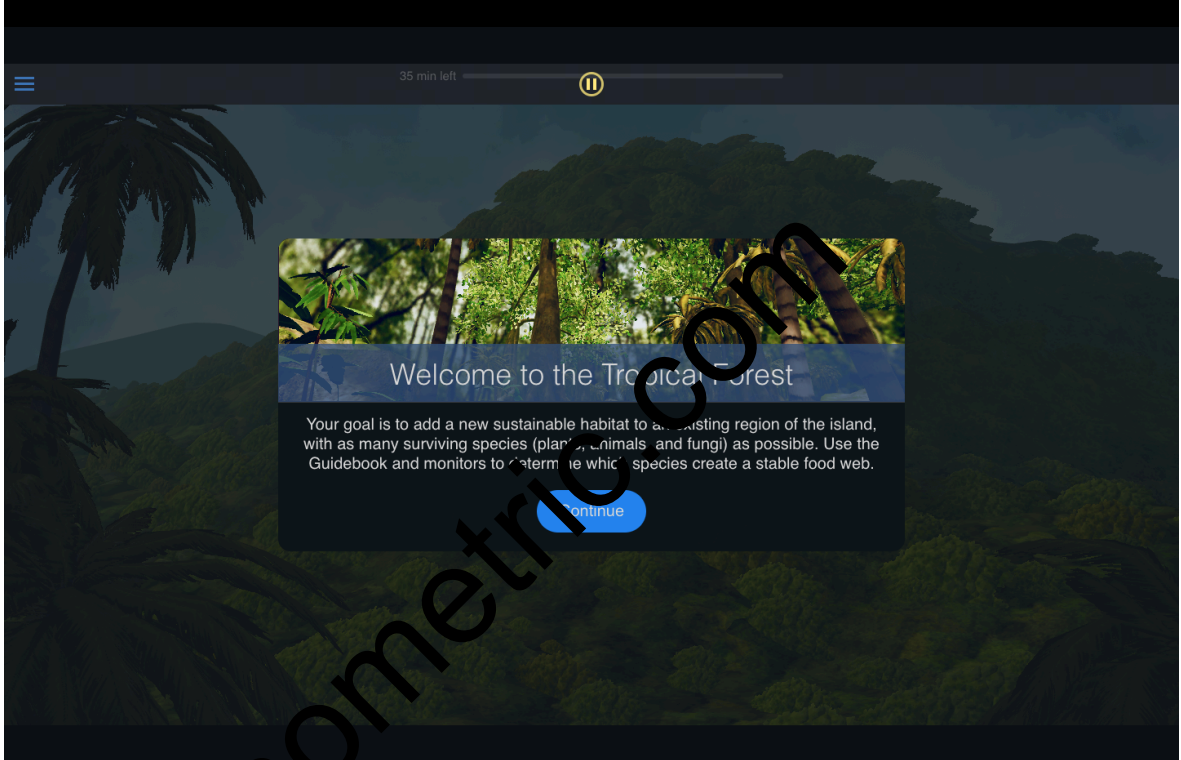

Your computer does not appear to be configured to display 3D graphics in the browser. We require a browser that is able to use hardware acceleration. Please try a new computer, if you have one available.
